Secret
of
Life

The secret of life is that it is no secret. The Truth has already been revealed. Life and purpose are so clear, so obvious, and so easy to understand that a child can know it. In fact, only a child can know it. You must become like a child to understand it.

The key to knowing the secret of life and becoming like a child is gratitude. Be grateful for what you have, not sad for what you don't have.

Give, and it will be given to you. A good measure, pressed down, shaken together, running over, will be put into your lap. For with the measure you use it will be measured back to you.
