

**When is the last time you saw  
Anti-Communist Propaganda?**

**How about today!**

**The Bible says that we are forbidden  
to eat bats.** (Leviticus 11:19; Deuteronomy 14:18)

**The Communist Government of  
China does not allow the Bible in  
their country.**

Therefore, the people don't know  
they are not supposed to eat bats.  
And now they have infected the  
whole world with a virus from a bat.

**DOWN WITH COMMUNISM!**

**Give them FREEDOM!**
