

In a crashing airplane, you put your own oxygen mask on first, then you help others with theirs.

The same holds true in prayer to God.

Pray for yourself first. Don't neglect to pray for yourself. Then you'll be stronger and able to pray for others more adequately.

Make today the best and happiest day of your life. And tomorrow will be even better!

God Bless Me!

Say it, "God Bless Me!"

And he will. Come Holy Spirit. Amen.
